

# USB-C to HDMI 4K Adapter

## UC3008

- The UC3008 is a USB-C to HDMI 4K adapter that allows you to transfer the video of your USB-C equipped laptop, tablet or computer to a HDMI 4K display or projector. The UC3008 supports high video resolutions up to 4K so that you can conveniently scale your display output to a bigger monitor or do presentations from a projector.

### Features

- Transfer high-quality video from a USB-C equipped laptop or tablet to a HDMI 4K display or projector
- Compatible with the latest USB-C equipped laptops and tablet computers, including MacBook, Chromebook Pixel™ and Thunderbolt™ 3 devices
- USB billboard feature proactively notifies users of alternate USB-C modes supported by the source device
- Premium manufacturing and high-quality design resists signal interference during video transmission
- Plug and Play – no software required
